In economics, a discouraged worker is a person of legal employment age who is not actively seeking employment or who does not find employment after long-term unemployment. This is usually because an individual has given up looking or has had no success in finding a job, hence the term "discouraged". In other words, even if a person is still looking actively for a job, that person may have ...

In music, groove is the sense of propulsive rhythmic "feel" or sense of "swing". In jazz, it can be felt as a persistently repeated pattern. It can be created by the interaction of the music played by a band's rhythm section (e.g. drums, electric bass or double bass, guitar, and keyboards). Groove is a significant feature of popular music, and can be found in many genres, including salsa, funk ...

1. Introduction. Electronic cigarette (e-cigarette) use is increasing worldwide (White et al., 2015), yet, relatively little is known about its long-term health effects (Zhu et al., 2014). Few studies have evaluated the e-cigarette device itself, and whether the e-liquid changes once it comes into contact with the device.
