Health Care - United States Conference of Catholic Bishops

Health care or healthcare is the maintenance or improvement of health via the prevention, diagnosis, and treatment of disease, illness, injury, and other physical and mental impairments in human beings. Healthcare is delivered by health professionals (providers or practitioners) in allied health fields. Physicians and physician associates are a part of these health professionals.

Lydia, Pittsburgh. A recent "article" on Yahoo Finance stated that our current employer-provided health care plans will be "grandfathered" into the new health insurance reform bill, but only for 5 years and only for super large employers that "self-insure" After that they will be required to conform to whatever restrictive health insurance plans the government mandates for all insurers.
