- As a leader, one of the most common and important areas of communication is delivering feedback. Unfortunately, it's also one of the most poorly executed aspects of communication. Feedback is a great example of something that can really help when it's done correctly, but can also do harm when not done correctly. In this course, we're gonna make sure you get it right.

- No one likes to deliver bad news to customers. But for a lot of us, delivering bad news is a regular part of business. You know the feeling. You probably get nervous, or have to transfer a call to your supervisor because the customer won't accept your word as final. So let's figure out how to fix that.
