What is Sustainable Development Law

Development studies is an interdisciplinary branch of social science. Development studies is offered as a specialized master's degree in a number of universities, and, less commonly, as an undergraduate degree.

Development studies - Wikipedia

International development or global development is a wide concept concerning level of development on an international scale. It is the basis for international classifications such as developed country, developing country and least developed country. There are however many schools of thought and conventions regarding, which are the exact features constituting development of a country.
