3 There are six learning centers that will help you gain perspective into the piece of literature that we are reading in class. Examine the choices and visit four of the centers that interest you.

Differentiated Instruction in the Foreign Language

Differentiated instruction is an approach to teaching in which educators actively plan for students' differences so that all students can best learn. In a differentiated classroom, teachers divide their time, resources, and efforts to effectively teach students who have various backgrounds ...

Differentiated Instruction - Articles, Books, Resources

Make sure elementary students have better access to learning by using this guide to differentiation. The guide features entire instructional units for science, social studies, math, and language arts.

The Differentiated Classroom: Responding to the Needs of

The Differentiated Instruction Model. Students come to our classrooms with unique differences as people and therefore as learners. Our students have varied degrees of background knowledge and readiness to learn, different life experiences, cultural orientations, languages, interests, and preferences for how they learn best, and different feelings about themselves as learners and about school.
