Dog behavior is the internally coordinated responses of individuals or groups of domestic dogs to internal and external stimuli. It has been shaped by millennia of contact with humans and their lifestyles. As a result of this physical and social evolution, dogs, more than any other species, have acquired the ability to understand and communicate with humans and they are uniquely attuned to ...

What is a dominant dog? Some people attribute all problem behaviors to "dominance", while others do not want to use the "dominant dog" label at all. The truth, as always, is somewhere in-between. It is useful to recognize dominant behaviors in our dog, so that we can better manage him, keep him safe, and set him up for success.
