Generally, agencies will require the social worker to view all areas of the house or apartment, including where the children will sleep, the basement, and the backyard.

The Adoption Home Study Process - Home - Child Welfare

Social welfare, assistance for the ill or otherwise disabled and the old, has long been provided in Japan by both the government and private companies. Beginning in the 1920s, the Japanese government enacted a series of welfare programs, based mainly on European models, to provide medical care and financial support.

Welfare in Japan - Wikipedia

Social psychology is the scientific study of how people's thoughts, feelings, and behaviors are influenced by the actual, imagined, or implied presence of others. In this definition, scientific refers to the empirical investigation using the scientific method. The terms thoughts, feelings, and behavior refer to psychological variables that can be measured in humans.
