The Big Picture is Early Warning Report's specialty. We see investment trends being primarily determined by  
economic trends, and economic trends determined by politics. To forecast what our investments will do we  
must forecast what governments will do.

during preliminary research, when we identified internal controls, reviewed acquisition files and interviewed  
staff. While we continue our ongoing audit of CSB's contract management, we believe the Board should  
immediately address the internal control issues discussed in this early warning report. Sincerely, Arthur A.  
Elkins Jr.
