Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.

The genre of horror has ancient origins with roots in folklore and religious traditions, focusing on death, the afterlife, evil, the demonic and the principle of the thing embodied in the person. These were manifested in stories of beings such as witches, vampires, werewolves and ghosts. European horror fiction became established through works by the Ancient Greeks and Ancient Romans.
